Additional lyrics:

I was hiding out in my room
When Dad was walking up on the moon
Walter told my Mom
Exactly what was wrong
I guess if we knew how, we would have prayed

We shipped out for European air
Cause Dad had to wrestle with a hungry bear
I have no one to thank
But Father and his tank
I guess if we knew more, we would have prayed

I sat watching as the planes touched down
And men stepped off and kissed the ground
Walter said we were through
So I knew it must be true
We were counting hearts instead of change
