

Want You Want To See

Words And Music by
Geoffrey Raines

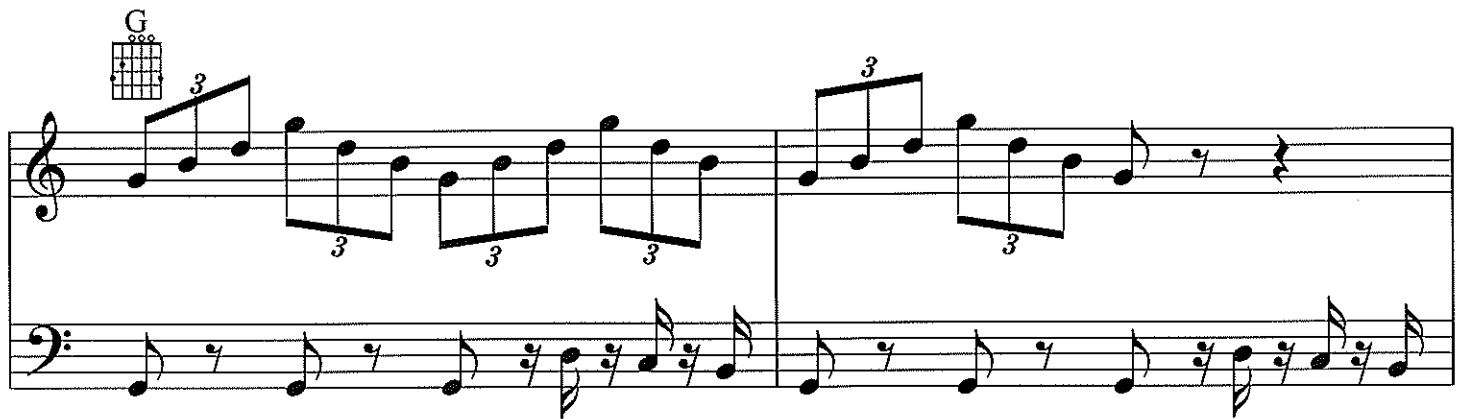

G C G C G C G C

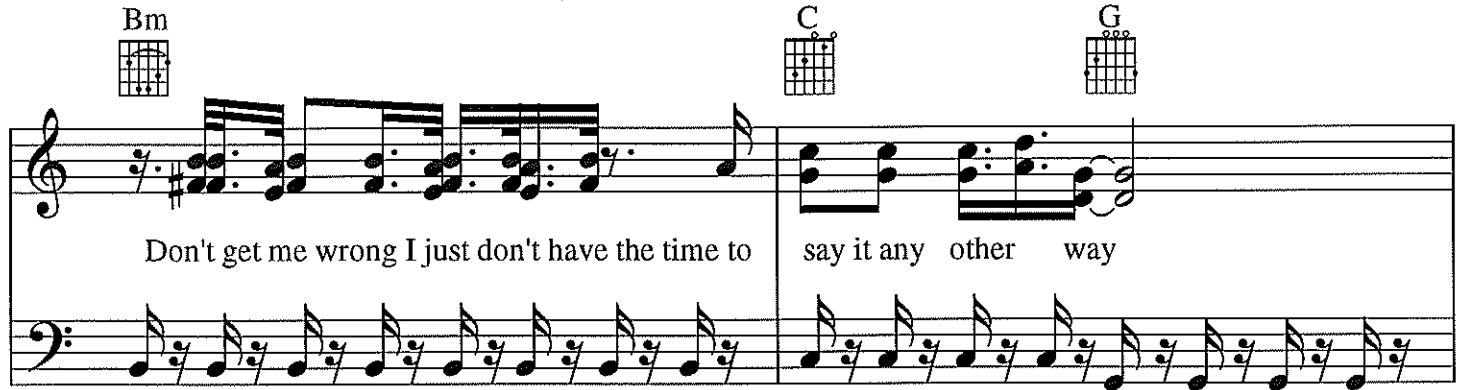

I really don't work that hard You will see what you want to see.

Bm C G

Don't get me wrong I just don't have the time to say it any other way

Bm C D

And if I did I would probably give in and save it for another day

The musical score consists of two staves. The top staff is in treble clef and begins with a G chord diagram (000233). It contains a melody with several triplet markings (3) over groups of three notes. The bottom staff is in bass clef and features a rhythmic accompaniment of eighth notes with a consistent pattern.

Other Verses:

I'm a reflection of the friends I have
 But I still speak my mind
 And if you want to talk of something else
 I will find the time
 Don't worry cause you don't need to show me
 I can see who I need to be
 I really don't work that hard
 You will see what you want to see

I'm a reflection of the world I'm in
 Though I try to change it every day
 There's no time to argue both sides now
 Cause words just get in the way
 Don't worry if you just see one side
 Cause that's all I'm showing you
 I really don't work that hard
 You will do what you want to do
